Ishita Saxena

9958041066 | ishitasaxena.work@gmail.com| www.linkedin.com/in/ishita-saxena5 | https://github.com/Ish-code1

Technical Skills

Languages: C++, Python
AI/ML: Machine Learning, Deep learning, Generative AI, LLM, Prompt engineering, Computer Vision, OpenCV, MediaPipe, Natural Language Processing (NLP), Retrieval Augmented Generation (RAG), FastAPI
Databases: SQL, Firestore, Graph Database (Neo4j)
Developer Tools: Git, Github, Github Actions, Docker, AWS (Amazon Web Services)
Engineering: Data Structures and Algorithms (DSA), OOPs (Object Oriented Programming)

Hackathons

Top 6 Finalists (National Level) *HackCBS 9.0* (Team - 2) — Nov 2026
Top 15 Finalists (National Level) *India AI Impact Festival* (Individual) — August 2026
Top 50 Teams (Worldwide) *Namespace Hackhazards '26 Hackathon (Team - 4)* — June 2026
3rd Runner Up (National Level) *AI Arena Gotham Edition Hackathon* (Team - 4) — March 2026

Experience and Projects

AI Skill Lab Intern - *KIET Group of Institutions* — June 2026

- **Project: LabLens - Gesture-Controlled Virtual Chemistry Lab**
- Developed a gesture-controlled virtual chemistry lab for Class 11–12 students preparing for Boards, JEE, and BITSAT, enabling hands-free interaction without external hardware.
- Integrated OpenCV and MediaPipe for gesture recognition with FastAPI, SQL, and Graph DB to support interactive experiment workflows,source-grounded chemistry knowledge base using NCERT and previous-year papers, reducing hallucination risk in AI-generated explanations and experiment guidance.

AI Agents and Emerging Technologies Intern - *EST Global Inc., USA* — Sept 2025

- **Project : Multilingual AI Farmer Assistant**
- Architected a **bilingual voice-first Telegram bot** (English + Malayalam) using **FastAPI, Gemini API, and Google Cloud STT/TTS** to process voice and image inputs for real-time crop disease diagnosis
- Implemented a **RAG pipeline with Neo4j and LangChain** — graph-native memory (UserProfile → Session → Message) replacing vector search; 6-message context window fed into Gemini API for personalised recommendations

IBM SkillsBuild Intern | - *Edunet Foundation* — July 2025

- **Project : Real-Time Gesture Control System for Games**
- Built a **real-time computer vision controller** using OpenCV and MediaPipe to track **21 hand landmarks** and map 6 gesture-action pairs (cursor move, click, arrow keys, spacebar) to keyboard and mouse inputs

Certifications

AWS Academy Graduate : Cloud Foundations | *Amazon Web Services (AWS)* — Jan 2026

Education

KIET Group Of Institutions — **CGPA: 8.5 / 10**
B.Tech — Computer Science & Engineering — *2024–2028*
St Francis School — *Class XII — CBSE* — **92%** *2022*
St Francis School — *Class X — CBSE* — **98%** *2020*

Leadership & Extracurriculars

PR Head | *Kriva Machine Learning Society* — August 2026 – Present
E-Booster Mentor | *CRPC, KIET Group of Institutions* — March 2026 – Present
Campus Ambassador | *KIET Group of Institutions* — March 2026 – Present
Dept. of PR & International Relations – Member | *KIET* — Feb 2025 – Present

- Anchored and managed logistics – International Education Awareness Week (IEAW), Feb 2026 & March 2025
